LinkedIn: [/in/thomasnguy3n](https://in.linkedin.com/in/thomasnguy3n)

## PROFILE

I am an outgoing and focused person who is undertaking MSc in Responsible Innovation. I am self-driven, results-oriented, and work as well alone, as in a team. I love creating relationships with people, and get on wavelength with most people. I am flexible, cooperative and very motivated to use my knowledge to acquire relevant work experience.

## ACADEMIC PROFILE

### Master of Science in Responsible Innovation & Sustainable Value Creation

*Western Norway University of Applied Sciences | 2023 - pdd.*

A master's degree with a primary focus on cultivating technology and entrepreneurship, underscored by a dedicated commitment to fostering Responsible Innovation and Value Creation.

### Bachelor's in Information Science

*University of Bergen | 2020 - 2023*

A bachelor's degree in Information Science. A program that focuses in areas such as programming, Artificial Intelligence, Machine Learning, Web Science, Data Management, Design and Human-Computer Interaction (HCI).

### Academic Year abroad in the U.S.

*Carroll College | 2022 - 2023*

Participated in an exchange program between Carroll College and University of Bergen where I spent an academic year in Montana, US. Engaged in courses like business, leadership, and mathematics.

## HOBBIES

As an active, sociable individual, i enjoy staying fit and going to the gym. I regularly rock climb with friends and colleagues. In addition, I enjoy spending time with friends and family for relaxation. Furthermore, I am incredibly interested in traveling and making recap videos/editing.

## EXPERIENCE

### Teaching Assistant

*University of Bergen | January 2022 - pdd.*

- INFO163 - Introduction to HCI, Fall 2023.
- INFO110 - Information Systems, Spring 2022.
- Conduct seminars for undergraduate students enrolled in the selected course.
- Offer curriculum reviews and provide feedback on their submissions.

### Summer Associate

*Finance department at DNB | Summer 2022 & 2023*

- Assist clients by providing support in tasks such as vehicle registration and handling upcoming paperwork for DNB's leasing car portfolio.
- My role was to guide clients through registration processes, ensuring accurate document submission, and simplifying paperwork procedures.
- Manage financial transactions by registering payments, processing incoming invoices, and promptly issuing invoices to customers.

### Store Employee

*Kiwi AS | September 2014 - June 2022*

- Customer service, replenishment of goods, cashier work, and other shop work. Closing responsibility of store.

### Soldier - Mandatory Military Service

*2. Battalion | Norwegian Armed Forces | 2019 - 2020*

- Infantry soldier enrolled in the Javelin team, focusing on anti-tank missile defense, infantry-combat drills and reconnaissance.
